Dean's Letter

At the beginning of this year's programs, we had to cancel our visit and dinner at Reger's Barn— we hope to make it back there next year. We continued with the George Baker Improvisation workshop and a wonderful recital in October. Next, in November we visited three churches for an organ crawl and a dinner at Ladders 11. Unfortunately, I missed this event due to medical issues that took longer to recover from than I wanted. Matt filled in for me as host. Since then things have been back to normal or as close to normal as possible.

In January, we had our choral music presentation with our members being the choir. There were many interesting selections for us to review and perhaps add to our own libraries. I will put together the titles, publishers, etc. as soon as I get everyone's list or at least as many as I can. We'll post the selections in a future Trumpetings. You might want to examine some of them from the publisher's web sites. All were very good with different degrees of difficulty.

Saturday, Feb. 7th was our Pedals, Pipes, and Pizza program at South Park Methodist Church on Brown Street near UD. Priscilla Acuff hosted, entertained our participants and provided them the opportunity to play the organ and explore some parts of the organ chambers. Thanks to all who came to help!

Check out our future programs in your directory or online at our web site agodayton.org. In March we will visit St. Albert the Great for a presentation by Jim Butler on the Ahlborn-Galanti Electronic Organ. You will have the opportunity to test drive it as well.

This year everyone will be able to sign up their membership directly online with AGO headquarters. Our officers will be available to assist you if you need help and we'll have more information coming soon in a future newsletter.

Note for all board members and committee chairpersons: We will have a board meeting this month and I will need reports from all. As soon as I can establish a date, I will notify everyone.

2015 Pedals, Pipes & Pizza

Thanks so much to Priscilla Acuff and South Park UMC for hosting the Dayton Chapter's 2015 Pedals, Pipes and Pizza on February 7th. Priscilla put in an incredible amount of time into planning and organizing the PPP and it really showed. There was a great turnout with over forty budding, young organists in attendance. Priscilla kicked things off with an organ demonstration that ranged from hymn settings to Bach's Toccata in D minor to a Disney tune medley with Midi bird sounds.

Yun Kim gave an engaging class describing the organ, it's history, some notable instruments and the various pipes and how they work. Matt Hunt and Dick Krewson gave tours of the pipe chambers. That really opened some eyes! Last, but certainly not least, each participant got to play the organ. Pieces ranged from Twinkle-Twinkle to more advanced pieces by MacDowell. No matter what the level, all were excited to play and experience a big organ.

There were over a dozen chapter members and friends there to help with registration, activities and tours. Thanks to everyone who helped out and made the day so much fun.
