## Dean's Note By Dr. David Crean

Dear Colleagues,

I hope you've all been enjoying a restful and productive summer. The COVID-19 situation continues to evolve, but I'm pleased to announce that **the board has elected to proceed with in-person events this year.** You'll find the program schedule on the following page. Thanks to subdean Mary Ellen Clinard for her work on putting together a great slate of events! Mask policies, if appropriate, will be publicized closer to each event. Be sure to check out <https://daytonago.org/events.php> for the most up-to-date information. Speaking of our website, we have a new one, complete with a new web address. More information on that below as well. We also have a new Youtube page, thanks to social media coordinator Danielle Guilbalt. Over the next few weeks, we'll be posting short videos of members demonstrating organs at area churches. There's a lot happening in the chapter, and I'm looking forward to this year immensely.

David Crean, D.M.A.
