## DEAN'S MESSAGE

*Dr. David Crean*

Thanks to everybody who came out to our March program at St. Paul's Episcopal Church in Oakwood. Matt Hunt of Hunt-Krewson Pipe Organ Service gave a presentation/demonstration on adding high-quality digital components to pipe organs. Thanks to Matt, Alan Kimbrough, and St. Paul's music director Cara Geerlings for making this event such a success.

**Our April event is right around the corner!** Paul Jacobs, chair of the organ department at The Juilliard School will perform recital at Kettering Adventist Church in commemoration of the 50th anniversary of the Casavant organ. Details are below, but I can't stress enough that **this is a concert you don't want to miss**. Paul is one of the world's great organist and this is a rare chance to hear him in SW Ohio.

**Are you getting the most from your Guild membership?** AGO members are eligible for many benefits not directly related to the organ, including:

- A 5% discount on new OneLicense memberships.
- Discounted rates on home, auto, and life insurance?
- Reduced membership rates for other professional organizations like the Royal College of Organists?
