## DEAN'S MESSAGE

*Dr. David Crean*

Dear Colleagues,

I was sorry to miss you at our opening event, but my good Covid luck finally ran out! Thanks to Mary Ellen for taking charge and getting everything to run smoothly; and Danielle for offering a great presentation.

Our October events are **this weekend** (10/8 and 10/9). We'll welcome renowned virtuoso Todd Wilson to Dayton for a workshop on service playing and improvisation at 10AM on Saturday, followed by a recital at 4PM on Sunday. Both events are at Westminster Presbyterian.

I was in Orange County, CA, this past weekend to participate in the official rededication of the famed Hazel Wright Organ at Christ Cathedral (formerly the Crystal Cathedral). I was hired a few years ago to write a book about the organ's fascinating history, and it was officially released in conjunction with the rededication. It was a wonderful event, featuring a documentary film, book signing, and recital by Hector Olivera. The book and documentary will be made available to the public in the next month -- I'll include links in next month's newsletter.

Happy fall!  
David Crean
